

**Remarks**

The foregoing amendment resubmits apparatus claims 15-19 which were submitted by preliminary amendment as claims 33-37 in the parent application, were subject to a restriction requirement, and were withdrawn as being directed to a non-elected invention. The remaining claims 20-32 are submitted to provide the scope of protection to which applicant is believed entitled.

Respectfully submitted,

JONES, TULLAR & COOPER, P.C.
